### **\*RESERVATION FAQs**

- **No electrical vehicle charging. Their grid cannot handle it.** There are Tesla chargers at the Olema Hotel.
- **Please do not move fire pits or picnic tables (extra surcharge from the campground)**
- **Rules for Olema Campground shower/porta potty tents and RV toilet chemical use:** The campground installed a new sewer treatment system and because of their proximity to the Point Reyes National Seashore and the need for protection of its watershed, this has triggered California monthly and random monitoring of the ground water for chemical residues. Therefore, please follow these rules:
  - No RV toilet chemicals containing ZINC, FORMALDEHYDE OR PHENOLS allowed if using their RV dump station or sewer hook-up.
  - Porta-potty/shower tents are allowed for privacy but **absolutely NO OUTDOOR SHOWERS** are allowed.
  - **No POOP CHUTES (liners for your poop slinky) are allowed.**
- ***What happens if full payment is not received within 7 days of receiving site assignment?*** If full payment is not received within 7 days, you will lose your site and it will become available.
- ***What if the sites all book up?*** If the 69 sites that have been pre-booked by the rally organizers are all reserved, interested participants can (i) submit registration form to be added to a waitlist for cancelled reservations, (ii) monitor the NorCal T@B Facebook group for anyone seeking someone to take over their reservation, *and/or* (iii) make a reservation directly with Olema Campground. (see additional information below regarding individual reservations)
- ***What if I need to cancel?*** If you need to cancel, email [norcaloctoberfest@gmail.com](mailto:norcaloctoberfest@gmail.com) and the organizers will first facilitate contacting anyone on the waiting list. Then, if unsuccessful, you should post your reservation “for sale” on our NorCal FB page, the T@b Camping Trailers or T@DA, T@B & T@G Trailer Owners or T@b forum FB pages. Financial arrangements should be between you and whoever takes your spot, but please notify [norcaloctoberfest@gmail.com](mailto:norcaloctoberfest@gmail.com) of the updated names on the reservation. No refunds will be available from rally organizers if there is no one on the waiting list. NOTE: **Only T@B products are welcomed at our rally, please do not “sell” your site to a non-T@B camper.**
- ***What if I make an individual reservation, will I receive the group discount?*** If you are unable to commit to a reservation at this time, Olema Campground may have sites not in our group reservation, however, you would not receive the group discount. Their standard cancellation policies would apply to individual reservations, so you could be on the waiting list for the group reservation at the same time.

- ***Why is the fee non-refundable, and why so early?*** The 100% nonrefundable deposit is requested to comply with the campground's group reservation discount policy, and to avoid the organizers needing to "float" the deposit (\$10k+) for many months.
- ***How will I know if my reservation request has been received?*** You will receive an auto reply acknowledging receipt of your submitted reservation request.
- ***I would like to camp next to my friend. Can that be arranged?*** Reservation requests will be processed in the order received, however, as always, our best efforts will be made to accommodate site or neighbor requests. You are welcome to list as many requests as you wish on your registration form.
- ***I cannot attend this one. When is the next event?*** October 2026, exact dates TBD

The schedule of events for the rally will be published closer to arrival date. We are just getting things rolling, with more fun to follow.
